

Mike Rice	Co-opted Governor
-----------	-------------------

I joined Childwall Sports and Science Academy as a Co-opted Governor in September 2021. I live close to the school and have lived in and around Liverpool most of my life. I am also a keen Liverpool Football Club supporter.

I have had a wide and varied career and am now a Civil Servant working for the Cabinet Office based in Liverpool and other areas of the U.K. My job enables me to work with other government departments, local councils, schools and hospitals, and am fortunate to be able to help public sector organisations work with our citizens.

I was proud to become the Chair of Governors in September 2024 after spending 3 years on the Governing Committee and have learned so much about the school, its pupils, staff and other community interests, working with Governors and staff from across the Lydiate Learning Trust. I love the commitment, energy and passion of the school and am proud to tell people about the school, what it achieves for its pupils, staff and community and what the Governance Committee do to support it.
